

NAJILA KP

Cardiac Technologist

Detail-oriented and skilled Echocardiographer with experience in performing and interpreting a wide range of echocardiographic examinations, including 2D, M-mode, Doppler, and color Doppler studies. Proficient in acquiring high-quality cardiac images, assessing cardiac structures and function, and assisting physicians in the diagnosis and management of cardiovascular conditions. Committed to maintaining patient comfort and safety while delivering accurate, timely, and reliable diagnostic information. Strong knowledge in congenital and valvular heart diseases, equipment handling and documentation

Kaloor Peedikayil (H) Vattamkulam, Thaikkad, Kerala

SKILLS

- **Cardiac Imaging & Modalities:** Echocardiography (Transthoracic, Transesophageal, Stress Echo), Electrocardiography (ECG), Treadmill Exercise Testing, Holter Monitoring, Ambulatory Blood Pressure Monitoring, Bubble Contrast Echocardiography, Dobutamine Stress Echo
- **Clinical & Core Skills:** Patient Communication & Safety, Quality Control & Assurance, Diagnostic Accuracy, Clinical Collaboration, Basic Life Support (BLS), Procedural Documentation
- **Domain Knowledge:** Congenital Heart Disease, Valvular Heart Disease, Treadmill Testing, Test Reporting, Catheterisation Lab Procedures, Diagnostic Reporting, Procedural Support
- **Technical Skills:** Equipment Maintenance & Troubleshooting, Diagnostic Equipment Handling, Clinical Data Documentation, Medical Reporting, Quality Assurance

EQUIPMENTS HANDLED

- GE Vivid E95
- GE Vivid T8
- GE Vivid iQ
- Mindray M7
- Mindray FC60
- Siemens Acuson SC2000
- Mortara Xscribe
- Skiller

WORK EXPERIENCE

Cardiac Technologist

Shihab Thangal Hospital, Tirur, Kerala

Jun 2025 – Jun 2026

- Performed transthoracic echocardiograms; interpreted findings and documented results to assist cardiologists in diagnosis of congenital and valvular heart conditions.
- Conducted 12-lead ECG testing and treadmill exercise testing; recorded and documented results for physician review and clinical decision-making.
- Collaborated with senior echocardiographers and cardiologists in review and discussion of complex cases, strengthening technical and diagnostic decision-making skills.
- Ensured adherence to patient safety protocols, infection control standards, and procedural compliance during cardiac imaging sessions.
- Handled GE Vivid ultrasound systems, ensuring optimal image quality and minimising equipment downtime across the cardiac imaging department.
- Trained junior technicians and interns on equipment operation, imaging protocols, ECG, treadmill testing, and documentation standards.

Trainee Cardiac Technologist

Meitra Hospital, Calicut, Kerala

Dec 2024 – Jun 2025

- Assisted Doctors in transthoracic echocardiograms in pre-operative and intra-operative settings, gaining competency in advanced imaging protocols for structural and valvular assessment.
- Conducted 12-lead electrocardiogram (ECG) interpretation and treadmill exercise testing protocols; prepared formal reports for physician review and clinical decision-making.
- Supported senior technologists in quality assurance audits and protocol optimisation across echocardiography and cathlab procedures.
- Gained Knowledge in dobutamine stress echocardiography and bubble contrast imaging under direct supervision of senior cardiologists.

Internship

Meitra Hospital, Calicut, Kerala

Dec 2023 – Dec 2024

- Performed and interpreted transthoracic echocardiograms under supervision, accurately diagnosing congenital and valvular heart pathologies and presenting findings to attending cardiologists.
- Assisted in transesophageal echocardiogram procedures and learned intra-operative cardiac imaging protocols in perioperative and interventional settings.
- Conducted electrocardiogram (ECG), treadmill stress testing, and Holter monitoring across diverse patient populations; interpreted waveforms and arrhythmia findings for clinical correlation.
- Supported catheterisation lab procedures and observed interventional cardiology techniques including balloon angioplasty, stent placement, and structural intervention.

PERSONAL DETAILS

Date of Birth: 21/12/2001

Nationality: Indian

Gender: Female

Marital Status: Married

EDUCATION

Bachelor's Degree in Cardiac Care Technology (2020–2023)
Drs Academy of Science, Changaramkulam, Kerala

Higher Secondary Education (HSE) (2018–2020)
Govt Higher Secondary School, Edappal, Kerala

Secondary School Leaving Certificate (SSLC) (2017–2018)
Darul Hidaya Higher Secondary School, Edappal, Kerala
